Hi Christine!

So good to hear from you and get the "truth"! So much crap out there I knew you would tell it straight! We had a terrific holiday, Bill came out and also Jeff's brother, his wife and their daughter. Now I'm getting over all the cooking yakking and have to take down decorations today! Whew. Fun times. Below is phot of Jeff Christmas morn in his new robe...enjoy! Please do stay in touch and you can be sure we will send anyone looking for property to you...you are a delight and a pit bull with horns when it comes to pushing things along...can't say enough thanks to you!

Love,
Jane and Jeff
