If it wasn't for Christine Lloyd of Rodeo Realty I would not have owned my new home. She took the fear out of being a first time home buyer. She made me feel at ease through out the entire process. Not once did I think of backing out of the deal. I liked that there was no pressure and she worked within my comfort level. Christine is honest in every way and keeps to her word. She is fantastic to work with. I would definitely recommend her to anyone buying a home, especially a first time buyer.
