

Dear Christine:

In this CRAZY world, let alone  
the CRAZY world of real estate  
and short sales, never would  
we have DREAMED of  
finding someone with your  
expertise, class, sense of humor,  
patience and charm.

Thank you for making Jessica's  
dreams come true. She is SO  
happy there.

Please don't forget our lunch  
and/or dinner. Would love to  
get to know you better.

Very fondly:  
Zoe and Larry
